Re: Closure of school due to severe weather conditions

Wherever possible we will keep the school open, however, there are times when the weather conditions are not safe for children or staff to attempt the journey.

Should a decision be made by the Headteacher, in consultation with the Local Authority/Chair of Governors, to close the school, we will use our email service/app (Parentmail), Twitter and our website to update you on the situation.

Should snow start falling during the school day a decision may be made by the Local Authority and other schools who share our school buses, to call the buses early. We must be able to contact you to inform you that your child will be returning early.

It is imperative that we have up to date contact emergency numbers. We do not want to send a child home without an assurance they will be met but also do not want your child to be stranded in school.

Hopefully we will not have to take such measures, however, our children are only young and their safety must be a paramount consideration at all times.
